## Step 1 — How to unlock Nokia Lumia 520

- Insert SIM card from another network provider.

⚠ Check the "attempts remaining" status. The counter have to be at minimum 1, otherwise your phone is blocked and you can't unlock it by unlock code.

ⓘ The unlock code is unique for every phone. You have to provide the IMEI number from your phone to get your unique unlock code.

ⓘ You have to provide the IMEI number. You can find it from Settings ► About ► More information or by dialing a code - \*#06#

- If your contract has ended, you can request the code from your provider. Another way is to buy an unlock code.
